No previous minutes for this meeting as there has not been a combined meeting before	
Agenda Items	
1. Declarations of interest	
Marie Kirbyshaw – LIF , Gavin OB – LIF, Amanda Krebs – LIF, Darren Collinson - HHS	

## 2. pfbb update

BID Project Manager and Administrator no longer with us.

We have undergone a review and assessment of all work that we were aware of that as in progress. Despite being told otherwise, notes had not been made of some projects.

Also met with a number of businesses and organisations including members of Board and Management Group to check on understanding and priorities for the BID at this point

As regard work in progress, our priority was to ensure that Christmas is sorted and in place (later agenda item refers).

We have finalised delivery of 2 projects (window vinyls and planters) that had been due for completion in September

It was apparent that our concerns were not unfounded, and that the decisions we took on 4 November were the right decisions. Our guidance, best practice and instructions for proper project management had not been followed.

Over the last 4 weeks, we have had an interim BID Project manager, and events and cultural coordinator (to cover weekend events) and both pfbb directors have led on moving different projects forward (later papers outline this). Social media has been picked up by the PR agent on an extended contract – and already improving the F and T. We are retraining the Ambassadors to work how they had initially been trained and they are responding positively.

We are advertising the BID manager post. JD is available and via ATCM.

Job to be put out via BID Facebook and Twitter. – with live link to Smart Link – also distribute to Board members to co promote. Important to get the right person – salary should not restrict this.

To be sent out to all Board

Finance – covered later in the agenda

### 3. Board and Management Group: sector/stakeholder representation & structure

## **Proposal**

Board looks after governance, on budget, delivering against the plan.

Management group intended to be the coordinating group – supporting Project team for project delivery.

Over last few months, attendance at Management Group has declined. This is an

opportune time to review and make sure all business sectors are represented around the Board.

We are proposing that we consider that this meeting the groups are combined, to cover both governance and project delivery as one group, and to ensure that there is representation from all sectors at Board level.

#### Discussion

CK – is the decline in attendance related to the previous staff?. Should we put the new team in and guide them on motivation of management Group participants – and review in another rear

BD – Previous Management Group attendance fluctuated.

DC – lack of clarity of who is on which group. Disagrees to wait a year. Feels it is better to bring groups together. There is a disengagement between Board and businesses

MM – Previous administration of meetings was shambolic.

BH – Previously there was no clear timeline set for future projects

GOB – wait for new Project manager - have separate meetings for a year.

AK – also need working groups

GOB – all meet – get an update on recruitment and project outline. Then decide what is the best way forward with regard to Board structure. GOB proposes, CK seconds. All agree

## <u>Decision made</u>

To all meet at next meeting. To get an update on recruitment and project outline, and to then make a decision with regard to Board Structure

## 4. Specific project updates

#### a. Footfall cameras. OBJECTIVE 4e

Orders have been placed with Springboard

- a) To retain the existing three cameras in Luton for a period of 49.25 calendar months from 24/10/15, for a total cost of £39,153.75
- b) To install an additional camera at Lamp Column No 2 on George St between the junction of Park St and Market Hill (lamp column no 2) for a period of 48 calendar months from 4/01/16 for a total cost of £13,515.00.

Installation date to be confirmed by Springboard

Luton Borough Council have agreed pay all costs for the first camera for the life of the BID. LBC have agreed to pay the entire amount so that it comes out of this financial year's LBC budget.

We have approached The Mall with the request to provide the BID with one total figure for the Mall's cameras from Monday to Sunday each week and the equivalent figure for the same week of the previous year. We will then be able to use the trend figure +/- % on the same week of the previous year as well as the +/- % against the previous week. We will also be able to compare this against the street camera data which will be analysed in the same way and to see the comparisons against the Mall.

Mall uses shoptrack

Galaxy uses Experion

## **Discussion**

How is data going to be shared?

Pfbb can put a proposal together for a contract for footfall collation and analysis Trend on weekly basis

MK – how can this data be shared to a wider audience

MFA – secure access via BID website – or emailed to Board/Management Group members IF – context of data is really important.

MK/GOB –info need on how it operates in other places etc. Positive impact, benchmarking

GOB – Thanks for Laura and LBC for funding fourth camera

b. Luton Investment Fund. (Paper attached. Board agreement sought)

### OBJECTIVE1,2,3,4

## Paper circulated.

The BID Project Team recommend that the BID offers letters of support for the applications with an offer of in-kind support and, in two instances, additional financial support.

### **UKCCA for Magic of the Night - A New Cultural Celebration**

A maximum of BID contribution of £10,000 over 2 years to attract an estimated £150,000£190-200K in Year 1 and about £170K in Year 2. (note – this is UPDATED INFO since paper was distributed on Monday)

#### **Luton Culture**

A maximum of BID contribution of £40,000 over 4 years – to attract an estimated £700,000 grant funding

Letters of support to be submitted

## **ACTION**

GOB Proposed to approve this.

Next meeting agenda. Pfbb to submit proposal for

analysis

CK seconded	
It was agreed that the application for Batighor was focused on one community – and thus no additional support to be offered (over and above the in-kind support the BD would offer any relevant activity)	
<ul> <li>Luton BID has received other approaches relating to</li> <li>artists placements within partners for funded residences to develop conceptual Public realm projects)</li> <li>Do not fit in with BID objectives</li> </ul>	
and the me me and expectives	
<ul> <li>skills audit of creative and programme for training creatives</li> <li>Still awaiting more info but initial consideration is that this does not fit in with BID objectives</li> </ul>	
It was agreed that approaches made at this late stage are very late in expecting the BID to work with them (considering that applications need to be submitted to Arts Council next week)	
c. Christmas Campaign . (Paper attached) Objectives 1a,1d,1e,1f,3e	
Paper circulated and verbal update given	Next
For next Board meeting - Summary of number of Cracker tickets per week (and	Board meeting
source).Skating rink bookings and coupons redeemed.	
d. Healthy High Street. (Paper attached) Objective 4b	
Paper circulated and verbal update given	
GOB – This is one of the most exciting projects that the BID is doing	
DC – excellent idea – this project can help SME grow and develop. Very positive story for Luton	JP
LC – Can help promote date in their newsletter. JP to liaise with Georgina Barker	AK
AK – University wants to also contribute to the programme. AK to liaise with IF	
DC –important to get the model right. Mentoring would be a stage 2 of the programme. HHS	
wants to reduce amount of empty shop, increase footfall. Businesses in HHS will be included	
first. Have already got 15 businesses committed	
5. Finance report	
It was identified that the previous BID manager had miscoded some items of expenditure, had	
The was rachtimed that the previous bib manager had miscoded some items of expenditure, had	

not recorded other items of expenditure, and had double accounted for other items. It should be noted that we are still uncovering anomalies where expenditure has been made without financial records. The financial report is for a 15 month period January to March 2016 to ensure financial years coincide with billing periods. The Project management time is apportioned to objectives within the budget and within the ongoing financial reports We need to stress that until the Christmas campaign has been completed, more items may need to be revised LBC is still experiencing difficulties with its software and, as a consequence, the BID has been unable to raise any levy invoices since July. 6. Dates of future meetings (MFA to Wednesdays 2pm. confirm with separately) 20 January – incl Finance update Poker room in casino 24 February 20 April -incl Finance update 18 May 20 July incl Finance update 14 September 19 October 23 November- incl Finance update 7. AOB BD – Galaxy will be fully let by end of next year AS – acquiring 2 Santander sites to convert to coffee shops – with aim to get outdoor seating. (to liaise with LBC) MK – Conners will be closing on Thursday nights, still open on Friday nights, but will be open on Saturdays from 2016. Panto season at Theatre. Tickets available BH - Not available for 20 Jan meeting AK – Week 14 Dec – Roald Dahl reading week. James and Giant peach on 16 Dec 6pm. provide info for BID

Page to be created on BID website. Employability event – call for problems

CK – Retires from full time work in January and will find someone else to represent Arriva on the BID – so stepping down from vice chair of BID at next meeting

JM – Pubwatch is part of Best Bar None. Could this be built into HHS. JM to liaise with BID to provide info for PR. IF to contact JM

JM to liaise with BID to provide info for PR. IF to contact JM

MM- The Mall has just been redecorated.

DC – They and The Mall are doing Crime recording. But streets drinkers a real issue – need to all feedback this sort of info.

IF – we are speaking to people about information sharing

LC - the police should be part of this discussion. Sian Bazra is the new Superintendent and will help to identify new police lead for the town centre

MI – Ester Reid – a licensing officer should be involved in meetings

DC – wants more information if they have to vote on something

All should vote if there is a proposer and seconder

LC – A representative from the BID team can attend internal town centre coordination group meetings so that they can be involved in wider picture. (Next meeting 12 January) Cleaning of granite in Bute St and St Georges Square . Removal of buses in Silver Street. Local plan consultation finishes on 7 December

LBC update to be Standard agenda item for at future meetings

- a. Benches by Bute Street Stage. Could the benches be turned round to face the stage? LC to investigate
- b. OFFERS OF VENUES AS MEETING ROOMS EXPENSIVE Casino, Arriva meeting room (out of town), University, the Mall

BID to provide response to local plan

Next Board agenda
