

PPE suppliers in the UK

The Government has announced further guidelines regarding PPE and the use of it in getting the country back to work. Now is the time to consider the items you may need to ensure the safety of your staff and customers and begin to source the all-important equipment needed so your business can re-open safely once the lockdown is lifted.

Whether you are looking for simple face coverings and gloves or searching for a supplier of shielding screens or social distancing signage, Northampton Town Centre BID has pulled together a number of local and national suppliers of PPE to help with this task.

If you wish to add yourself as a supplier to this list, please email info@northamptonbid.co.uk
