

## Returning to the Workplace – 1 hour COVID Question Time

Do you face questions from your employees who are worried about coming back to the workplace?

Do you just want to double-check if your customer distancing arrangements are ok?

Want to ask what the next steps are for Luton opening up?

Need some advice on how to reassure your customers that it's safe to come in?

Want to know if your arrangements will keep you safe from your customers?

This is a simple, come-and-ask-the-experts face to face offer. Luton Borough Council have put a team of knowledgeable people together so you can ask them face to face. Bring your COVID and Business questions along, we'll answer them quickly, frankly, and you can speak freely.

**No presentations. No speeches. No slideshows.** We've made it simple and easy for companies to come and ask the experts. If we don't have the answer immediately, we'll find it for you. You can stay for the whole hour, or you can leave as soon as you like.

**1st September 2020 – 2pm**

**>> JOIN THE MEETING <<**

---	--	---	---	--

### Agenda - Led by your questions:

1. Welcome and panel introductions – Lisa Hudson
2. Open to questions from the floor
3. Pre-submitted questions (if any)
4. Open discussion – do we need to continue this offer and, if so, what topics do business owners want to cover in future?
