Latest announcements

Significant grant funding for businesses to be delivered via local authorities

Businesses in England to receive £2.2 billion to see them through national restrictions.

- Grants of £2.2 billion to be distributed to businesses across England by councils
- support aimed at businesses that have been required to close restrictions, with local authorities given extra cash to help other businesses at their discretion
- package builds on £200 billion already provided to support jobs, incomes and businesses since the start of the pandemic

Businesses will benefit from 2 grant schemes: one for businesses that have had to close, and another scheme for further business support as a result of the coronavirus pandemic, helping support people's jobs and livelihoods and protect communities. For further information please click [here](#).

Local Restrictions Support Grant

The Local Restrictions Support Grant (LRS (Closed)) supports businesses that have been required to close due to temporary local restrictions. Eligible businesses are entitled to a cash grant from their local council for each 14 day period they are closed.

- business owners will receive £1,334 per 4 weeks if they have a rateable value below £15,000
- they will receive £2,000 per 4 weeks if they have a rateable value between £15,000 and £51,000
- they will receive £3,000 per 4 weeks if they have a rateable value above £51,000

Check if you're eligible for the coronavirus Local Restrictions Support Grant (for closed businesses) [here](#).

Additional Restrictions Grant

The Additional Restrictions Grant (ARG) supports businesses that are not covered by other grant schemes or where additional funding is needed.

The Additional Restrictions Grant (ARG) provides local councils with grant funding to support closed businesses that do not directly pay business rates as well as businesses that do not have to close but which are impacted. In addition, larger grants can be given than those made through LRS (Closed).

Boost for restaurants, pubs and cafes to provide takeaway services for another year

Restaurants, pubs and cafes will get automatic freedoms to provide takeaway services for another year. The measures help give these businesses the confidence they need to continue to serve customers and retain their staff. It will also help them adapt to longer-term changes they may wish to introduce, such as serving their customers from market stalls. For further information please click [here](#).

Government extends Furlough to March and increases self-employed support

Workers across the United Kingdom will benefit from increased support with a five-month extension of the furlough scheme into Spring 2021.

- Businesses and people across the UK given certainty over winter months with further support
- The furlough scheme will now be extended until the end of March – protecting millions of jobs across all nations
- The next self-employed income support grant will also increase from 55% to 80% of average profits - up to £7,500

The Coronavirus Job Retention Scheme (CJRS) will now run until the end of March with employees receiving 80% of their current salary for hours not worked. Similarly, support for millions more workers through the Self-Employment Income Support Scheme (SEISS) will be increased, with the third grant covering November to January calculated at 80% of average trading profits, up to a maximum of £7,500. For further information please click [here](#).

Latest Changes: Government increases support for self-employed across the UK

The government is increasing its support to the self-employed over the coming months and ensuring people get paid faster than previously planned. To reflect the recent changes to the furlough scheme, the UK-wide Self-Employment Income Support Scheme (SEISS) will be made more generous – with self-employed individuals receiving 80% of their average trading profits for November. The changes will ensure that self-employed individuals who temporarily cannot carry out their business or have suffered reduced demand due to the outbreak are supported over winter.
