New: Further easing of Covid restrictions confirmed for 12 April

Outdoor hospitality will be among those reopening in England next week after the Prime Minister confirmed the roadmap is on track and planned easements can go ahead.

From Monday 12 April additional premises will be able to reopen – with the rules on social contact applying. Indoor settings must only be visited alone or with household groups, with outdoor settings limited to either six people or two households.

This includes non-essential retail; personal care premises such as hairdressers, beauty and nail salons; and indoor leisure facilities such as gyms and spas (but not including saunas and steam rooms, which are due to open at Step 3).

Public buildings such as libraries and community centres will also reopen.

The majority of outdoor settings and attractions can also reopen, including outdoor hospitality, zoos, theme parks, drive-in cinemas and drive-in performances events.

Hospitality venues will be able to open for outdoor service, with no requirement for a substantial meal to be served alongside alcohol, and no curfew. The requirement to eat and drink while seated will remain.

People should continue to work from home where they can, and minimise domestic travel where they can. International holidays are still illegal.
