Rateable Value of premises	

As a business located outside the BID area, we wish to enter into a voluntary agreement with Luton BID to support the activities of the BID and its contribution to Luton Town Centre (BID Area)

We agree to pay a levy to the BID, at the same level as if we were located in the BID area.

This equates to a 1.75 % levy of rateable value plus VAT (Note index linked increases will be applied to this rate), or the minimum levy of £210 (which ever is the greater)

As a voluntary member we will pay this direct to Luton BID upon receipt of an annual invoice for the lifetime of the BID (current BID period 2020 to 2025).
